

Soapbox Speakers

Set New Higher Goals for Yourself and Reach Them!

Want to Get on the Toastmaster Fast Track?

Did you know you can join an advanced club BEFORE you finish your Competent Communicator (CC)? All you need are just six or more speeches completed in your CC and you can join! Get on the fast track to improving your communication and leadership skills.

Soapbox Speakers delivers real value through helping you to set a higher standard, developing contacts, and learning the value of teamwork. Working with experienced Toastmasters will help to raise your skills more quickly.

The advanced club atmosphere puts the focus on speaking. Your own personal evaluator and additional round robin evaluations provide independent views of feedback to all your speeches.

Advanced Club

**Are You
One of the Most Accomplished
Toastmasters in Your Club?
Who Mentors You Now?**

You will benefit from joining our group of seasoned leaders and communicators who are there for the same reason you are—to become better communicators and leaders!

Soapbox Speakers' members are district, division, and area leaders, DTM's, and others offering a wealth of experience. Our members will help you to become a more perceptive evaluator, take back ideas beneficial to your home club, develop contacts, and reinforce the value of teamwork.

The advanced club atmosphere provides you with a streamlined agenda where the focus is on speaking. We appreciate the fine points of advanced manual speeches and can allow the longer times that advanced manuals require.
