

CALL FOR NOMINATIONS OF 2012-2013 DISTRICT OFFICERS

It is time again for nominations to be placed for the following offices within District 10's Executive Committee:

**District Governor
Lt. Gov. Education and Training
Lt. Gov. Marketing
Public Relations Officer
Division Governors (Northern, Eastern, Central, Southern and Western).**

Interviews will be scheduled as soon as the nominating committee receives the nomination form. The Nominating Committee will continue the interview process until March 5th. After this point, nominations will be accepted only at the Council Meeting held during the Spring Conference. Nomination forms can be accessed on the District's website, www.district10.org. At the home page, click "Resources", and then "Districts".

The MS Word file includes the mission/purpose and qualifications for all elected officers as defined by Toastmasters International. The form can be saved to your computer, completed and forwarded as an attachment via emailed to gardnerted@ymail.com. For members who are interested in an Area Governor role, a link to the qualifications and responsibilities of the position will soon also be located on the District 10 website. All submitted nominees will be provided to the District 10 District Governor Elect subsequent to elections at the Spring Conference.

To inform our newest members, the District Governor appoints the Area Governors, so there will be no formal election at the Spring Conference. It is requested that you give careful consideration of individuals who would qualify to hold one of the elected officers. The members of this committee have a huge responsibility to uphold. The effective operation of the District depends upon those district members who are elected to serve.

Please contact me at the email below if you have any questions.

**Best Regards,
Ted Gardner, DTM
Immediate Past District Governor
Brand Ambassador
Chair-Nominating Committee**
